MEMORANDUM

FOR THE MEMBERS OF THE TECHNICAL REVIEW COMMITTEE (TRC)
INSTALLATION RESTORATION STUDY, NAVAL WEAPONS STATION (NWS),
EARLE, NJ

This memorandum is to inform you that the next TRC meeting is scheduled for 10:00 AM on Wednesday, 16 November 1994 in the Public Works Conference Room at Building C-29 at NWS Earle.

A major topic of discussion will be the creation of a Restoration Advisory Board (RAB) for NWS Earle. The Chief of Naval Operations has directed each installation with a cleanup program to establish a RAB as a forum for interested parties to provide input to the decision making process. The Navy would appreciate comments regarding the best way to ensure representation of all impacted groups. Names of potential members or concerned groups are also welcome.

The status of the Site 20 Removal Action, the revised RI Work Plan and the I.R. program schedule will also be discussed. If you have any questions or concerns, please contact me at (610) 595-0567 extension 157.

Sincerely,

JOHN P. KOLICIUS
Remedial Project Manager
By direction of the Commanding Officer
